*Reissue Applications*

1. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

The only error listed by the applicant is for correcting the inventorship, but this correction is done by filing a request for a certificate of correction under the provisions of 35 USC 256 and 37 CFR 1.324. This error is not the basis for which the reissue application can be filed. Also see MPEP 1402.

2. Claims 1-20 are rejected as being based upon a defective reissue 14.01.02 under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.
